RULES AND REGULATIONS

ACADEMIC CALENDAR

- There are two semesters in an academic year, namely; Fall and Spring. Fall Semester normally starts in September and Spring Semester starts in February. The duration of semester is 16-18 weeks inclusive of examinations.
- There is a Summer Session with the duration of eight weeks as a part of Academic Year which is optional. A student who has either failed or has been stopped to take the examination due to shortage of class attendance or wishes to improve his/her grade is allowed to register in summer. Students can enroll in 1-2 courses of up to 08 credit hours during summer. The contact hours during each week of the Summer Session are doubled to

ensure that the course is completely taught in a summer session with half of the duration as compared to a regular Fall/Spring semester.

The academic calendar is notified by the office of Registrar comprising of the following information:

- Commencement of Semesters
- Holidays during the semester
- Semester termination date
- Mid-semester exam week
- Final-semester week
- Result notification date

ADMISSIONS

Admission to any degree program is made on the basis of merit list prepared by the Admission Office. Lists of selected candidates are displayed by the Admission Office and if required subsequent lists are displayed till the last seat is filled up. The University may refuse admission to a candidate without assigning any reason.

COURSE CREDIT HOURS

Each course is assigned credit hours. A credit hour means teaching/earning a theory course for one hour each week throughout the semester. The credit hours are denoted by two digits within brackets with a hyphen in between. The first digit represents the theory part while the second (right side) digit represents the practical. Thus 3(3–0) means three credit hours of theory only, while 4(3–1) means a total of four credit hours of which three are reserved for theory and one credit hour is for practical work:

- Theory: One credit hour of theory means one hour teaching per week throughout the semester

- Practical Lab: One credit hour of practical means three hours of lab work per week throughout the semester.

ENROLLMENT IN EACH SEMESTER WITHIN SPECIFIED TIME

At the start of first and subsequent semesters the candidates are required to enroll courses as per the schedule notified for enrolment from time to time. Application for enrollment of next semester on the prescribed form accompanied by fee deposit receipt shall be submitted 15 days before the commencement of examinations of the current semester. In special circumstances a student may enroll one day before the commencement of classes by depositing late fee. Enrolment will be considered as complete if the enrolment form is submitted on time along with fee deposit receipt. Merely depositing the fee will not serve the purpose. If a student fails to enroll in any semester without permission of the authority, s/he shall cease to be on the rolls of the university.

WITHDRAWAL / CHANGE OF COURSE(S)

- Students may withdraw from a course during 4-6 week of a semester. In such a case the transcript records that the student enrolled in the course and withdrew. Consequently, grade W is awarded to the student which has no impact on the calculation of CGPA of the student.
- A student withdrawing after the 6th week is automatically awarded "F" grade which is counted in the GPA and reflects on the transcript.
- A student may withdraw a maximum of two courses offered in a semester.
- A student, with the consent of the concerned Dean/Head, may be allowed to:
- Change a course within one week of the commencement of a semester and drop a course within 2 weeks of the

commencement of semester, wherever permissible under the Scheme of Studies.

- No dropping and adding is allowed after the third week of a semester.
- A student who wishes to add or drop a course must complete the relevant procedures as prescribed by the University.
- A student who has taken a final semester examination is not permitted to withdraw any course.

REPEATING COURSES/IMPROVEMENT OF CGPA

- If a student gets 'F' grade, s/he is required to repeat the course or its recommended alternate, if any, whenever offered by the respective School.
- An undergraduate student is allowed to repeat a course in which s/he has obtained a Grade below 'C' by the Dean of Faculty on the recommendation of Head of School. In such a case both the course and the grade obtained, are recorded on the transcript with letter 'R'. However, only the better grade is used in the calculation of CGPA
- A graduate student (MS/MPhil) with 'F', 'D' or 'C' grade can repeat the course with the approval of Dean of Faculty on the recommendation of Head of School if s/he desires to improve the grade. In such a case both the course and the grade obtained are recorded on the transcript with letter 'R'. However, only the better grade is used in the calculation of CGPA.

REPEATING SEMESTER

A student failing in a semester is required to repeat that semester as and when offered by the University. Such student is not eligible to enroll in next semester without qualifying the failed/dropped semester.

CANCELLATION OF ADMISSION/RE-ADMISSION

- If a student fails to attend any lecture during the first four weeks after the commencement of the semester as per the announced schedule, his/her admission stands cancelled without any notification. There is no readmission during that semester. However, s/he is eligible for re-admission next year when the classes of that semester commence.
- If a student makes him/herself absent from the school without any intimation for ten consecutive working days, his/her name is struck off from the rolls of the school. Such student is not readmitted without approval of Head/Dean concerned.
- For re-admission the student is required to pay the prescribed re-admission fee as notified by the University from time to time.
- A student may be allowed re-admission twice during the entire degree program.

SEMESTER FREEZE

- A student may discontinue his/her studies by seeking semester freeze during the semester before the final semester examination on medical grounds or circumstances beyond his/her control with written permission of Head of School. His/Her semester fee shall not be transferred/refunded.
- If a student freezes semester (s) s/he can resume his/her studies from the same stage where s/he left froze. No freezing during the semester is allowed. The maximum duration of the degree program shall be the same.

- Under following special hardship circumstances freezing of first semester can be considered by the approval of competent authority:
- Iddat
- Maternity/Delivery
- Death in the immediate family
- Any other subject to acceptance on justified rational
- If a student freezes second or subsequent semester (s), s/ he will retake admission in the same semester whenever offered by the University subject to the condition of maximum time limit.
- A student may discontinue his/her studies by seeking semester freeze prior to enrollment in the second/ subsequent semester on medical grounds or circumstances beyond his/her control with written permission of the Head of the School concerned subject to fulfillment of condition that the student has passed the final examination of the previous semester with minimum prescribed GPA/CGPA required for academic standard of the university to remain on roll. The student shall have to pay 10% of the tuition fee per semester for the freeze semesters.
- If semester fee is deposited earlier for the freeze semester, the remaining fee after deduction is transferred to the next semester as may be prescribed by the University regulation.
- A student who sought discontinuation of a semester is required to get approval from the Head of the School to rejoin the program before the commencement of the semester to be rejoined.
- The Head of the School notifies, in both the cases; the semester freeze and rejoining the program under intimation to the Registrar/Controller of Examinations and Accounts Office.
- Bonafide status of the student remains suspended during semester freeze

ATTENDANCE

- Attendance in classes is mandatory.
- A student having less than 75% attendance in lectures and practicals (where applicable) separately is not allowed to take the final semester examination of the course.
- For a student participating and representing the University in sports/co-curricular activities of inter University/national/international level events, as verified by the Director of sports/co-curricular, the days actually spent by the student in such events are excluded from total lectures delivered. The percentage attendance is calculated after excluding this period.
- The instructor reports student's absence and the student is placed on attendance probation by his/her Dean/HOS and it is notified by the respective school. A student is dropped from the University in case s/he for violates the terms of such probation.

TESTS, EXAMINATIONS, AND EVALUATION

- In each semester, students are required to appear in quizzes, mid semester examinations, final semester examinations, presentations, group discussions, and projects/assignments/lab reports.
- The teacher is responsible for students evaluation and grading as per the following weight-age:
 - Sessional Marks 20%
 - Mid Semester Examination 30%
 - Final Semester Examination 50%
- Sessional marks comprise of test(s)/quiz(es)/assignment(s)/presentation(s)/class participation.

- The course teacher decides the marks distribution according to the nature of the course.
- Mid semester examinations are conducted after eight weeks of teaching during a semester from the syllabus prescribed for the mid examination.
- Final semester examination covering the full syllabus with at least 20% of the course of mid examination as well, are held at the end of each semester
- Evaluation of Practicals: Practicals are assessed by the concerned teacher/internal examiners, except where there is a specific requirement from Accreditation Council. In that case the recommendation by the respective council takes precedence. Furthermore this assessment is based on following evaluation.
- Continuous assessment based on each practical = 50
- Final practical /viva voce= 50%
- Project/Thesis is assessed by a panel of examiners including one external and at least one internal examiner appointed by Rector on the recommendations of Board of Studies.
- Project is to be completed within the specified period as notified by the Head of School. In case of extension, the student shall have to enroll in the next semester and pay the semester fee.
- The pass marks in each course is 50%.
- Pass criterion in a course having practical part: The candidate who fails in theory or practical is treated as fail in that subject. Such candidates must enroll the failed subject (both theory and practical) and appear in each part as and when the course is offered. A candidate must obtain at least 50% marks separately in theory as well as practical parts each to qualify that course.
- Sessional marks awarded on the basis of assignment, test, quiz, etc are displayed/ shown to the students 14 days before the final examination.

- In case a student did not appear in the mid and final examinations due to discontinuation of the semester, his/ her SGPA/CGPA is not calculated.

CONDUCT OF EXAMINATIONS

The Controller of Examination is responsible for the conduct of examinations. The date sheet is finalized on the recommendations of the Heads of the School.

If a student is required to participate in sports/co-curricular activities representing the University, on the dates of examination, arrangements are made by the School for holding special examination for him/her as soon as his/her sports/co-curricular activities are over.

PERMISSION OF WRITER FOR SPECIAL STUDENT

A visually impaired student is allowed to attempt the Mid/ Final Examinations of the University on braille/ computer/ any other means of facilitation.

In case a student is physically handicapped/visually impaired, s/he may apply to the Head of the concerned School (with medical certificate as proof of her/his disability) for permission to engage a writer in tests/ examinations of the University two weeks before the start of tests/ examinations. S/he is allowed 45 minutes (maximum) extra time to solve the question paper.

The qualification of the person who acts as writer of a handicapped student should be at least one step lower than that of the student.

GRADING SYSTEM

-
- The grading will be done on a scale of 4.

- The marks obtained by a candidate in each course are converted out of 100.
- These marks are changed into grade points and letter grades according to the following criterion:

Marks Range	Grade Point	Letter Grade
85-100	4.00	A
80-84	3.70	A-
75-79	3.30	B+
70-74	3.00	B
65-69	2.70	B-
60-64	2.30	C+
58-59	2.00	C
55-57	1.70	C-
50-54	1.00	D
Below 50	0.0	F

- The grade/grade point is assigned for each course according to the above grading table, whereas, no letter grades are assigned to GPA/CGPA. CGPA is calculated up to two decimal places and SGPA is calculated up to three decimal places.
- Fraction of total marks obtained in a course are rounded to the nearest whole, e.g. 60.5 is considered as 61 and 60.4 is considered as 60.
- Calculation of SGPA and CGPA
- Semester (SGPA) = $\frac{\text{Sum (Credit Hours of Enrolled Course x Grade Point)}}{\text{Sum of Credit Hours of Enrolled Courses}}$
- Semester (CGPA) = $\frac{\text{Sum (Credit Hours x GPA) for each Semester}}{\text{Sum of Credit Hours for all Completed Semester}}$

PROMOTION CRITERIA

Promotion from First to Second Semester

A candidate with a minimum GPA of 0.85 in Bachelor degree and 1.0 in Master/MS/M Phil degree program in the first semester is promoted to the second semester.

A Bachelor degree candidate with GPA less than 0.85 and Master/MS/M Phil degree candidate with GPA less than 1.0 in the first semester is dropped from the program.

Promotion from Second to Third Semester

A candidate with a minimum Cumulative Grade Point Average (CGPA) of 1.2 for Bachelor degree program and 1.75 for Master/MS/M Phil degree program is promoted to the third semester.

Promotion from Third and Following Semesters

A candidate with a minimum CGPA of 1.6 for Bachelor degree and 2.25 for Master/MS/M Phil degree program is promoted to next semester.

A student is not allowed to improve the grade after the final notification of degree completion.

INCOMPLETE GRADE

A student who enrolled him/herself but remained absent in mid and final semester examinations is declared as “Fail”.

If a project is not completed in due course of time or within the extended time, the same is reflected with the incomplete grade ‘I’ in the transcript.

RE-SIT EXAMINATION

Student is required to submit an application within a week after recovery from sickness or death of the a relative as per the policy to the Office of Registrar with the recommendations of Head of the concerned School and documentary evidence i.e medical certificate or death certificate. Registrar Office gets the verification of documentary evidences and mention the attendance percentage on the application.

A committee comprising of the following members will discuss the cases individually if deemed necessary:

Campus Head

Registrar/Additional Registrar/Deputy Registrar

Controller of Examination/Deputy Controller of Examinations

Head of the concerned School.

Decision of the Rector is considered as final.

RESOLUTION OF CONFLICT OF AWARD

The scripts of each examination are shown to the students within one week after the completion of examinations.

The answer book of a candidate is not re-assessed under any circumstances.

In case a student is not satisfied with his/her award, s/he may make written application to the Head of the School, who shall form a committee of three faculty members to resolve the conflict.

Re-checking does not mean re-assessment/reevaluation/re-marking of the answer book. The Controller of Examinations can arrange for re-checking of examination script by any faculty member from the relevant discipline on the complaint/request of students. The Controller of Examinations or any officer or re-checking committee appointed shall see that:

There is no computational mistake in the grand total on the title page of the answer book

The total of various parts of a question has been correctly made at the end of each question.

All totals have been correctly brought forward on the title page of the answer book.

No portion of any answer has been left un-marked.

Total marks in the answer book tally with the marks sheet.

The hand-writing of the candidate tally in the question/answer book.

In case a student still remains unsatisfied with the award s/he may request (in writing) to the Controller of Examinations for neutral assessment. The Controller of Examinations with the approval of Rector can get it evaluated by an external from some other University and his/her award shall be final. In this case the student will have to pay the prescribed fee for re-evaluation.

A departmental committee comprising of three members headed by the Head of School is constituted to check randomly a few answer papers of the final semester examination for uniformity of scoring & covering of the course content.

MIGRATION/TRANSFER OF CREDITS

The Rector on the recommendation of the Head of School, allows migration/transfer of credits of a student from HEC recognized Institutions to the University, provided that:

The institution concerned agrees on the migration/transfer of credits of such a student;
